EDUCATION

University of Illinois at Urbana-Champaign

Bachelor of Arts in Linguistic

Minor in Computer Science

Aug 2016 – Dec 2019

GPA: 3.32 / 4.0

WORK EXPERIENCE

Epic Systems, Verona, WI

Software Developer

Feb 2020 – Present

Koya DocuTracker LLC, Chicago, IL

Software Engineer Intern, Software Engineer (Part-time)

May 2018 – Jan 2020

- Communicated with clients directly and made bug fixes, feature updates, performance increases and such to the application accordingly
- Led and contributed to adding new features, debugging, testing automation, improving performance, and refactoring on the front-end
- Created and modified data structures on the back-end including database and NuGet packages, managed endpoints
- Created migrations and scripts necessary for parts of the application
- Designed parts of user authorization and data authentication on the back-end
- Designed and implemented data visualizations for reporting purposes
- Made hot fixes and releases for the company
